## A message from The Headteacher

Well, what a half term this has been!

We were all delighted when we returned to school after the Christmas break, and our on-site testing produced absolutely no positive Covid results. It seemed that 2022 was going to be the year when we would finally put the Covid nightmare behind us.....

They say that 'pride comes before a fall' and sadly, our optimism didn't last. Although infection rates amongst students have remained fairly steady, the last few weeks have seen staff infection rates rising at an alarming rate. I'm sorry that we have had to ask year groups to work remotely on a couple of occasions, and I'm very grateful for your understanding of the position we have been, and still are, in. On the plus side, our 'important visitors' had been and gone weeks before staff began to fall ill, so we didn't have to ask them if they would be willing to cover lessons for us!

Ofsted visits are always nerve wracking, because we want the team to be able to capture an accurate picture of who we are, what we do, and why we do it – and all in less than 48 hours. The stakes are always high when inspectors come to call. A positive Ofsted report allows a school to grow and flourish, and provides independent reassurance to parents and the community served by the school that it is, well, 'good.'

'Good' seems such a small word, but for Ofsted to have declared that this is their overall judgement, and that we are 'good' in all four areas, is a tremendous accolade. If you look at the Ofsted School Inspection Handbook (there's a bit of bedtime reading for you!) you can read the detailed grade descriptors, and see all the things we had to be able to evidence to be declared 'good.' I'm so proud of the staff team who have made sure that despite the challenges and obstacles of the last two years, our curriculum has continued to develop and evolve.

Apart from the subject 'deep dives' into Maths, English, History, French and Drama, the inspectors explored our PSHE and RSE curriculum, and looked in detail at how we prepare our young people for the world of work. They explored every aspect of the school in forensic detail, to determine whether our self-evaluation was accurate.

I was delighted when the inspectors commented in their final briefing that Personal Development and Wellbeing was close to being outstanding, and I'm glad that they could see that we are not at all complacent about tackling the pockets of challenging behaviours that are being seen in all UK secondary schools post lockdown. What was gratifying was that they said that we knew ourselves well – there were no nasty surprises at all in the final debrief.

As the lead inspector commented, it's always a shame that the final version issued to parents and uploaded to the Ofsted website has to condense so much information and feedback down into a comparatively brief report. In many ways I wish they could have published it all, as it was so lovely to hear how impressed the inspectors had been talking to the random selection of Key Stage 3 and 4 students they met with. (I will confess to feeling slightly alarmed when I saw one particular young lady deep in conversation with the lead inspector, but it turned out that she wanted to tell her that she had moved here from another school and couldn't believe how much staff here were doing to support her.) It was clear to them that our students are proud to be part of our school, that they feel safe, and trust that we are working hard to prepare them for GCSEs and for a life beyond Lakelands. That, I hope you will agree, is most definitely 'good'.

Have a lovely half term break, wherever you are, and whatever you are doing.

### GOLD BADGE AWARD

**Carter Gibbons, 11C, won a highly coveted and very infrequently given Gold badge, for superb commitment to the school, to include doing duties every single day, break and lunchtime - absolutely amazing!**

Well, it's been another hectic half-term here in the English Department and we are all looking forward to a well-earned break! Our students have worked so hard this term and we must begin with a special 'well done' to Zach Lea (year 10), Dougie Tomkins and Flick Townsend (year 9) who were our first three students to fill up their English reward points sheets, an amazing achievement as each sheet has room for 72 points! All three were sent a postcard home as well as receiving a sweet treat from the prize jar!

In other news, Year 9 have been working on our new unit – Shakespeare's 'The Tempest'. We've been focusing on contextual issues, ie colonialism and slavery, in preparation for their GCSE studies next year. We'll be finishing the topic with a mini-Media project, which will give pathway two students a flavour for what Media GCSE is all about before they make their final subject choices for next year. Year 7 have also been studying Shakespeare this term and we've had lots of fun exploring the role of the three witches in Macbeth! Key Stage four classes have been looking at non-fiction for paper two preparation and we are introducing more units that cover current issues, such as the Kurt Zouma story and the on-going Hillsborough victims' battle for justice.

World Book Day celebrations will be going ahead this year-hurrah! There will be a competition for lower school students on the day, plus lots of book-related fun. Our Accelerated Reader program has got off to a great start with many students already completing 10 or more quizzes. We are very much looking forward to seeing the impact its having on reading ability and enjoyment across the school.

Have a lovely half term holiday!

Lakelands Academy held a Valentine's Day Cake Sale on **Monday 14<sup>th</sup> February 2022** raising nearly **£400.00** This was all in aid of Marie Curie who are there to support everyone in the UK through all aspects of dying, death and bereavement – and to fight for the world where everyone gets to lead the best life they can, right to the end.

Staff, students and parents baked a whole variety of delicious cakes. Both the raffle and the valentine's gifts stall were very well supported, and the winners were exceptionally happy with their prizes.

The organiser Mrs Bailey-Williams would like to thank a number of students and staff that helped leading up to the event and on the day:

- Iliyana Bedzheva 9W
- Archie Calloway 9C
- Charlie Edge 9N
- Adam Lindsay 9W
- Katie Meddins 9C
- Ella Roberts 7N
- Tilly Norton 7N
- Mrs Cole, Mrs Butler, Mrs Jones  
Miss Croxon and Miss Davie

A big **THANK YOU** to everyone who baked or brought a cake.

# PE - NEWS - PE - NEWS - PE - NEWS

We have been playing lots of netball this half term with all of our Year 7-10 teams competing in mini tournaments against other schools.

Year 7 also took part in a fantastic tournament at Oswestry School last month where they won the majority of their games! A special 'well done' to Lily Glynn in Year 8 who also came along to assist in umpiring the games at the tournament.

We look forward to lots more competition for our Lakelanders next half term!

Mrs Campbell

Our School Games Organiser Miss Croxon arranged for Sasha from Hoola Nation to deliver some hooping sessions to some of our year 11's. They enjoyed taking part in something a little different, challenging themselves and moving to music. There was a vast improvement from session 1 to 3 in their ability to hoola as well as creating new moves with the hoop off their waist.

**SCHOOL GAMES**

Inspiring young people to be physically active for life through positive experiences of daily activity and competition.

On Wednesday 2<sup>nd</sup> February our School Games Organiser Miss Croxon invited over 40 Year 3/4 girls from Whittington, Cockshutt, Criftins and Ellesmere Primary Schools. The session was lead by 12 Young Leaders from Lakelands Academy who created and delivered warm up skill sessions for the participants where they rotated around 6 activities before ending with some games. The Primary school children were put into mixed teams to increase teamwork and friendship building where the Lakelands Academy students officiated the games.

The feedback from the staff attending the event regarding the leaders was very positive “The sports leaders were excellent. Welcoming, friendly, and brilliant with the younger girls. Their drills were also very good, might pinch a few ideas for my own football club!”

On Tuesday 8<sup>th</sup> February our Year 9 and 10 Girls had the opportunity to try rugby for the first time. Miss Croxon organised for the Secondary schools to attend an introduction to rugby. The session took place at Oswestry Rugby Club where coaches from the club as well as Worcester Warriors introduced the girls to contact rugby. All the 62 girls who attended the session had smiles on their faces the whole afternoon and I don't think an item of clothing escaped the mud! It was great to see them learning and having fun at the same time! They will all be back on the 17<sup>th</sup> March to attend the competition day where the winning team will progress to the County Final in April representing North Shropshire.
