

Upcoming Open Events

Below you will find an overview of Open events and taster sessions taking place during the Autumn term. Open event pages with further information can be found via the hyperlinks in the 'Post 16 Provider' column. For Providers who have not yet advertised their open events please keep an eye on their website, we will provide you with any updates as we received them.

For any students or parents unsure of which pathway to take or providers to consider please access our Post 16 Guide [here](#). In addition to this [Start in the Marches](#) provides some great information on the local labour market and local opportunities.
